Re: John R. Zimmerman v. Corbett, et al.  
No. 1:13-cv-2788 (M.D.Pa.)

Dear Judge Kane:

During the case management conference in the above docketed case, the Court requested that the parties explore the possibility of mediation and to apprise the Court of the parties' position in this respect. Counsel for the parties have discussed this option and believe that mediation, at this time, would probably not be beneficial. If the positions of the parties change on this issue, we will notify the Court and request the scheduling of mediation.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "T.P. Keating".
